JOIN OUR BOARD - The Booster Club is a GREAT way to feel connected to the High School as a parent! Our student's time in high school goes by *so fast* & we as parents want to be involved in what our kids are doing. The Booster Club is a PERFECT connection to your kids! We have openings that may be PERFECT for you! Both our current President and Concession Chair have graduating seniors, so will not be eligible to continue in their positions. HOWEVER, both are willing to train and be available for the first months of the year to support those incoming Board Members. We also have other positions that may be a better fit for you. The Booster Club is a FUN group to be part of – we are ALL IN FOR KIDS and our goal is to enrich our students' high school experiences! The annual Membership meeting is in May to elect next year's Board. Reach out to us if you want more information! ihsboostersclub@gmail.com [OPEN POSITIONS](#)

March Booster Meeting Update - Thank you for all the members that joined the Conference Call last week for our March Booster Club Meeting.

- Special guest speaker and sponsor, **Don Borin** shared his long shared Booster Club history on how he started as a parent taking pictures to what evolved into a generous business that continues to give back to our Issaquah High community capturing some of our student's most joyfull moments in time.
- The Booster Board and members enjoyed **grant presentations** from **iVision** and **DECA** students requesting supplementary funds for their Spring trips. While the Booster Club did approve funding for both, we are disappointed to share that since then both trips have been cancelled.
- ASB President, Jack Githens and ASB Advisor, Kelly Henry reported on the election of the **2020-2021 ASB Executive Board**, and that unfortunately this year's **TOLO is cancelled**. ASB tried to reschedule the dance, but unfortunately there were no other available dates in May to hold the dance.
- After months of building, our usually nationally recognized Robotics Team will not be able to compete this year.
