**Dance Team** – Check the team website for updated information on tryouts: <http://issaquahdanceteam.com>. While our Dance District and State Championships have been cancelled, our journey this year has been incredible. As a team of 12 dancers, we danced at school assemblies and halftimes, we traveled to LA to experience dance in a renowned studio and dance at Disneyland (even if not on the rained out performance stage), we placed in every competition and qualified for WIAA Districts, but most importantly we created a family and grew as individuals and dancers. *Our seniors (Olivia, Shelby and Yaz) set incredible examples as leaders.* We celebrate them and all they have given to making our program stronger.

## VALUED SPONSORS:

**Crosby Wealth Advisors: “Kids, Parents and Money”** as *live webinars*. Starting this week, Josiah Brensda and Crosby Wealth Advisors have brought back this popular seminar! Due to current circumstances with families being home, kids home from college/school, and parents looking for opportunities to keep their kids engaged, we want to do our best to keep people educated and entertained with a smile on their face in the challenging times we are in. **StopAction Photography: Special Message from Don Borin with Stop Action**— “Please spread the word and share the link. The basketball season that just ended was memorable, more and more so because of what has taken place since. The pictures are priceless—literally—as I have made them free for anyone to download. So find the ones you want and hit the download arrow. I ask that people don't crop out my logo on the bottom right of each photo—or credit Stop Action Photography in any you post. Thanks!” Don Borin
