 1. ASB Report

Students from the new ASB board attended and wanted to discuss returning to a concessions structure that allowed students to volunteer and ASB use as a financial source. Diana has a meeting scheduled with ASB advisor and bookkeeper to discuss on Thursday. The students had very outdated and in some cases incorrect data they were using. Booster board members with experience in the concession offered clarification. Discussion was lengthy and complex as to why and how we restructured. Diana will continue the conversation as planned at the meeting on Thursday with ASB advisor and bookkeeper.
